CLINICAL EXPERIENCE:

- 07/07 to Present **Clinical Psychologist**
Doray Psychological Services, P.L.L.C.
Little Rock, Arkansas
- Provide brief and long-term outpatient individual and family therapy within a private practice treatment setting. Provide direct services related to child maltreatment issues (child abuse/neglect, foster care), grief and loss, traumatic injury, or witness to trauma (domestic violence, shootings, death) as well as anxiety (Selective Mutism), depression, blended family/divorce issues, and adjustment difficulties. Treatment modalities include Trauma Focused- Cognitive-Behavioral Therapy (TF-CBT), cognitive-behavioral therapy, play therapy, parent-child interaction training, family systems, parent training/co-parenting, interpersonal/supportive therapies, and crisis intervention. Offer consultation/expert witness testimony to the court system and to the Department of Health and Human Services (DHS). Conduct intake assessments and psychological evaluations, including clinical interview, behavioral observations, and psychological instruments for children, adolescents, and adults as well as court-ordered Child Custody Evaluations and Psychological Evaluations (mainly in Domestic Relations). Supervised 2 master's level therapist for licensure as a Licensed Psychological Examiner (LPE) and supervised Doctoral Practicum and Bachelor Practicum

Students. Supervised Family Support Specialists for agency's Supervised Visitation and Monitored Custodial Exchange Program. Supervise Social Work Intern.

05/04 to 10/09

Co-Facilitator for the Good Mourning Program

Arkansas Children's Hospital, Center for Good Mourning

Little Rock, Arkansas

Provided grief support group therapy to adolescents and adults for the Good Mourning Program, an eight-week group series offered in the fall and spring for children and teens and their family members who have experienced the death of someone close to them.

10/03 to 07/07

Faculty Member: Assistant Professor

University of Arkansas for Medical Sciences, College of Medicine:

Department of Psychiatry, Child Study Center at Arkansas Children's Hospital

Little Rock, Arkansas

Provided brief and long-term outpatient individual, family, and group therapy within a multidisciplinary or community outreach treatment setting. Conducted intake assessments and psychological evaluations, including clinical interview, behavioral observations, and psychological instruments. Population included children, adolescents, and their families suffering from symptoms related to Posttraumatic Stress Disorder (PTSD), Learning Disabilities, Pervasive Developmental Disorders, Attention-Deficit/Hyperactivity Disorder (ADHD), Disruptive Behavior Disorders, Separation Anxiety Disorder, child maltreatment issues, anxiety, depression, and adjustment difficulties. Treatment modalities included cognitive-behavioral therapy, play therapy, parent-child interaction training, family systems, parent training, interpersonal/supportive therapies, and crisis intervention. Program coordinator for the Child and Adolescent Trauma and Maltreatment Program which provided direct services related to child maltreatment issues (child abuse/neglect, foster care), grief and loss, traumatic injury, or witness to trauma (domestic violence, shootings, death) and consultation and liaison services to the Department of Human Services and the court system. Conducted psychological trauma evaluations for the Family Treatment Program, a program for child and adolescent sexual abuse victims and their families, and Arkansas Cares (until January 2007), a residential facility for mothers with substance use disorders and their children, as well as individual and family therapy services in these programs. Internship Training Committee member and supervisor to APA-approved internship program (UAMS Clinical Psychology Internship Program). Supervised predoctoral psychology interns in the assessment and treatment of trauma-based issues of children and their families (until 08/31/07).

CLINICAL TRAINING EXPERIENCE:

09/02 to 09/03

Post-Doctoral Psychology Resident

Kapi'olani Child Protection Center

A Kapi'olani Medical Center for Women and Children Program

Honolulu, Hawaii

Provided Developmental, Psychological Trauma, and Caretaker/ "Perpetrator" Psychological Evaluations for child maltreatment cases including court-ordered evaluations of children, adolescents, and adults. Conducted psychotherapy services for severely traumatized children and their families, including individual, family, and play psychotherapy. Supervised a practicum student, including the student's administration of evaluations, scoring of test material, and interpretations. Participated and supervised peer mentors in the **Peer Mentor Program**, a program for children in foster care.

09/01 to 08/02

Psychology Intern**Child Study Center, Division of Pediatric Psychiatry****University of Arkansas for Medical Sciences, Arkansas Children's Hospital**

APA Accredited Predoctoral Internship

Little Rock, Arkansas

Provided brief and long-term outpatient individual, family, and group therapy, intake assessments, and psychological evaluations within a multidisciplinary, elementary school, or community outreach treatment setting. Population included children and adolescents (ranging in age from 3-18), their families, and court-ordered adults/children in foster care suffering from various mental health and adjustment difficulties. Co-facilitated and developed curriculum for a weekly behavioral play-group with 3-6 year olds and their caretakers, weekly social skills group with preschoolers at a Headstart center, and an adolescent self-esteem group at a local middle school. Consultation and liaison services provided to Department of Human Services, the court system, parents, teachers, psychiatrists, and social workers. Developed curriculum, provided behavioral interventions, and supervised master's level therapists for a summer program for emotionally and behaviorally disordered youth.

Elective Rotation with the Family Treatment Program-9 months:

Provided individual and family therapy to child and adolescent sexual abuse victims and their families. Co-facilitated several weekly groups including a juvenile sex offenders group, an adolescent female sexual abuse victims group, a non-offending mothers support group, and a child sexual abuse victims group for girls age 6-9.

08/99 to 08/00

Psychology Trainee**Children and Family Consortium at Easter Seals**

Plantation, Florida

Provided brief and long-term outpatient individual, family, and group therapy within a multidisciplinary or in-home treatment setting. Population included children and adolescents (ranging in age from 2 to 18) and their families suffering from various mental health and adjustment difficulties. Co-facilitated weekly social skills group with preschoolers. Conducted pediatric psychological evaluations to determine placement in the school system, need for early intervention services, and need for psychological intervention. Consultation and liaison services provided to parents, teachers, neurologists, and speech, physical, and occupational therapists. Participated on Craniofacial team as psychology intern consultant.

07/98 to 08/99

Psychology Trainee**Nova Southeastern University Family Violence Program**

Ft. Lauderdale, Florida

Provided long-term outpatient individual, family, and group therapy to clients with domestic violence issues. Population included adults (ranging in age from 18 to 65), adolescents, and families suffering from symptoms related to depression, anxiety, PTSD, Impulse-Control Disorders, drug addiction, Oppositional-Defiant Disorder, adjustment difficulties, relationship difficulties, and Axis II disorders. Co-facilitated weekly outpatient therapy group for court-ordered male batterers utilizing the Duluth model for perpetrators of domestic violence. Co-facilitated weekly outpatient therapy group for women with anger management issues. Conducted intake evaluations and psychological assessments.

OTHER CLINICAL EXPERIENCE and RELATED WORK EXPERIENCE:

09/00 to 05/01

Adjunct Therapist**Children and Family Consortium at Easter Seals**

Plantation, Florida

Supervised graduate students in the administration and interpretation of developmental screenings to preschool children. Conducted outpatient assessment and psychotherapy for children and adolescents (ranging in age from 2 to 18) and their families within a multidisciplinary treatment setting. Administered and interpreted psychological and developmental screenings to determine placement in a private elementary school setting.

05/99 to 06/00

Grant Coordinator**Nova Southeastern University Child Sexual Abuse Trauma Program**

National Institute of Mental Health (NIMH) Treatment Outcome Grant

Ft. Lauderdale, Florida

Program Coordinator for an NIMH funded study investigating the efficacy of two treatment modalities for children (age 5 to 15) suffering from PTSD who have been sexually abused by an adult male perpetrator. Conducted intake, on-going, and post-therapy evaluations and psychological assessments with both the child and the parent/guardian which included a structured clinical interview (K-SADS) and psychological instruments. Responsibilities included: screening clientele, assigning cases to student therapists, tracking client's progress in program, writing intake reports, supervising and training graduate students to code FMSS, acting as a liaison with Department of Children and Families and the court system, coordinating public relations for the grant, and maintaining client and research data.

03/97 to 05/98

Children's Counselor**Women in Distress**

Ft. Lauderdale, Florida

Conducted individual, family, and group counseling sessions for child witnesses of domestic violence (age 3 to 17) and battered women (age 18 to 75). Facilitated three children's groups (age 4-5 and age 8-10) and one battered women's support group weekly. Provided crisis intervention, case-management, and play, cognitive/behavioral, and support therapies.

07/96 to 03/97

Relief Counselor- Shelter & Telephone Intake Volunteer (07/96 to 11/96)**Women in Distress**

Ft. Lauderdale, Florida

Answered crisis calls, provided crisis intervention to battered and homeless women and their children and made appropriate referrals to professional agencies. Counseled battered and homeless women and their children. Provided crisis intervention and case-management services.

03/93 to 05/96

Child Advocate**YWCA of Cobb County**

Marietta, Georgia

Counseled and advocated for children from homes where domestic violence occurs, age 0 to 17. Conducted individual play therapy sessions and facilitated support groups for children and parenting groups. Implemented an effective volunteer program including the training and supervision of 10 to 15 volunteers. Developed Children's Safety Program, grades K-5. Served on committees and collaborations including Cobb County Domestic Violence Task Force, Homeless

Children and Youth Advisory Board, North Georgia Child Advocates, and Cobb Family Connections.

RESEARCH EXPERIENCE:

06/01 to 08/01

Research Practicum- Volunteer

Centers for Mental Healthcare Research, University of Arkansas for Medical Sciences
Little Rock, Arkansas

Conducted pre- and post-assessments to behaviorally disordered children and adolescents in a summer program and assisted in the evaluation of this program. Supervised research assistants and high-school student interns. Conducted literature searches for research projects.

05/99 to 12/00

Directed Study Research

Nova Southeastern University Child Sexual Abuse Trauma Program
Ft. Lauderdale, Florida

Title: Relationship between Family Expressed Emotion and PTSD Severity in Sexually Abused Children

Conducted an empirical study concerning children who have been sexually abused by an adult male and diagnosed with PTSD. Examined the correlation between expressed emotion in the family (as measured by Five-Minute Speech Sample) and severity of the child's PTSD and co-morbid diagnoses (as measured by K-SADS-PL).

06/98 to 05/99

Graduate Research Assistant

Nova Southeastern University Child Sexual Abuse Trauma Program
National Institute of Mental Health (NIMH) Treatment Outcome Grant
Ft. Lauderdale, Florida

Conducted intake, on-going, and post-therapy evaluations and psychological assessments with both the parent/guardian and their children (age 6 to 14) suffering from PTSD who have been sexually abused by an adult male perpetrator. Responsible for inputting and scoring research data and running statistical analyses.

09/97 to 08/98

Research Assistant- Volunteer

Nova Southeastern University Child and Adolescent Traumatic Stress Program
Ft. Lauderdale, Florida

Provided psychological assessments for children (age 3 to 17) suffering from PTSD who have been sexually or physically abused, neglected, witnessed domestic violence, or have experienced any other traumas.
